

CORPORATE FACT SHEET

DATE AND PLACE ESTABLISHED	May 5, 1998 in Skopje, Macedonia
GENERAL INFORMATION	Drawing significant resources from its founders, TimelProject was formed in 1998 to provide energy technology solutions and consulting services to the Southeast Europe energy industry. Since its creation, TimelProject has grown approximately 25% per year and established wide network of clients both domestic and foreign. TimelProject has developed and brought to market state-of-the-art products and solutions, and developed a portfolio of more than 150 large consulting, design and construction technology and energy projects with nearly 50 corporate clients.
CORPORATE MISSION	To be prime contractor in providing energy solutions to clients by strengthening our human capital and broadening business relationships.
MARKET FOCUS	TimelProject leverages its industry knowledge and technical expertise to deliver targeted services to the energy sector—both onsite and in office—in the areas of engineering, design, construction, advanced energy systems, and technology solutions.
CLIENTS	Macedonian and international electric and gas utilities, energy producers, industrial and mine companies, international development organizations, national and regional government agencies, and energy end-users.
MARKET ADVANTAGES	TimelProject's unique advantages are its practical knowledge base in energy industry operations and position at the forefront of energy technology advancements; its ability to leverage technical and management expertise to create solutions for the energy industry; and its ability to deliver its products and services to a regional market.
SERVICE & PRODUCT AREAS	Five key areas: power transmission and distribution systems; transformer stations and substations; hydro power plants; industrial facilities; and automation, control and dispatch systems.
PRESIDENT AND CEO	Blagoja Blazev, an energy expert and former managing director of engineering companies in the country and abroad.
CORPORATE OWNERSHIP	TimelProject is owned by TimelProject's Board of Directors.
HEADQUARTERS	TimelProject, d.o.o. Misko Mihajlovski Street, 52 1000 Skopje, Macedonia Tel. +389 2 277 4931 Fax. +389 2 277 4932 E-mail: dblazev@timel.com.mk
WAREHOUSE	TimelProject maintains its own warehouse with materials and equipment for construction.
